All schools:

- 3.1 This is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:
- 3.2 [Part 3 of the Children and Families Act 2014](#), which sets out schools’ responsibilities for pupils with SEND
- 3.3 [The Special Educational Needs and Disability Regulations 2014](#), which set out local authorities’ and schools’ responsibilities for education, health and care (EHC) plans, SEN co-ordinators (SENCOs) and the special educational needs (SEN) information report

- 3.6 The [Governance Handbook](#), which sets out governors’/trustees’ responsibilities for pupils with SEND
- 3.7 The [School Admissions Code](#), which sets out the school’s obligation to admit all pupils whose education, health and care (EHC) plan names the school, and its duty not to disadvantage unfairly children with a disability or with special educational needs

This policy also complies with our funding agreement and articles of association.

4. INCLUSION AND EQUAL OPPORTUNITIES

- (a) Explaining what their strengths and difficulties are
- (b) Contributing to setting targets or outcomes
- (c) Attending review meetings
- (d) Giving feedback on the effectiveness of interventions

The pupil's views will be taken into account in making decisions that affect them, whenever possible.

7. SEN INFORMATION REPORT

- 7.1 The school publishes a SEN information report on its website, which sets out how this policy is implemented in the school.
- 7.2 The information report will be updated annually and as soon as possible after any changes to the information it contains.

8. OUR APPROACH TO SEND SUPPORT

8.1 Identifying pupils with SEND and assessing their needs

- (a) We will assess each pupil's current skills and levels of attainment when they start at the school. This will build on information from previous settings and Key Stages, where appropriate. We will also consider any evidence that the pupil may have a disability and if so, what reasonable adjustments the school may need to make.
- (b) Class teachers will regularly assess the progress of all pupils and identify any whose progress:
 - (i) Is significantly slower than that of their peers starting from the same baseline
 - (ii) Fails to match or better their previous rate of progress

- (iii) Fails to close the attainment gap between them and their peers
 - (iv) Widens the attainment gap
- (c) This may include progress in areas other than attainment, for example, wider development or social needs.
- (d) When teachers identify an area where a pupil is making slow progress, they will target the pupil's area of weakness with differentiated, high-quality teaching. If progress does not improve, the teacher will raise the issue with the SENCO to have an initial discussion about whether this lack of progress may be due to a special educational need. Where necessary they will, in consultation with the pupil's parents or carers, consider consulting an external specialist.
- (e) Slow progress and low attainment will not automatically mean a pupil is recorded as having SEN.
- (f) Potential short-term causes of impact on behaviour or performance will be considered, such as bullying or bereavement. Staff will also take particular care in identifying and assessing SEN for pupils whose first language is not English.
- (g) When deciding whether the pupil needs special educational provision, we will start with the desired outcomes, including the expected progress and attainment, and the views and the wishes of the pupil and their parents. We will use this to determine the support that is needed and whether we can provide it by adapting our core offer, or whether something different or additional is needed.
- (h) If a pupil is joining the school, and:
 - (i) Their previous setting has already identified that they have SEN
 - (ii) They are known to external agencies
 - (iii) They have an education, health and care plan (EHCP)

then the school will work in a multi-agency way to make sure we get relevant information before the pupil starts at school, so support can be put in place as early as possible.

8.2 Consulting and involving pupils and parents

- (a) The school will put the pupil and their parents at the heart of all decisions made about special educational provision.
- (b) When we are aiming to identify whether a pupil needs special education provision, we will have an early discussion with the pupil and their parents. These conversations will make sure that:
 - (i) Everyone develops a good understanding of the pupil's areas of strength and difficulty
 - (ii) We take into account any concerns the parents have
 - (iii) Everyone understands the agreed outcomes sought for the child
 - (iv) Everyone is clear on what the next steps are
- (c) Notes of these early discussions will be added to the pupil's record and given to their parents.
- (d) We will formally notify parents if it is decided that a pupil will receive special educational provision.

8.3 The graduated approach to SEN support

Once a pupil has been identified as having SEN, we will take action to remove any barriers to learning, and put effective special educational provision in place. This support will be delivered through successive rounds of a 4-part cycle known as the graduated approach.

- (a) **Assess**

- (i) The pupil's class teacher and the SENCO will carry out a clear analysis of the pupil's needs. The views of the pupil and their parents will be taken into account. The school may also seek advice from external support services.
- (ii) The assessment will be reviewed regularly to help make sure that the support in place is matched to the pupil's need. For many pupils, the most reliable way to identify needs is to observe the way they respond to an intervention.

(b) Plan

- (i) In consultation with the parents and the pupil, the teacher and the SENCO will decide which adjustments, interventions and support will be put into place, the expected outcomes, and a clear date for review.
- (ii) All staff who work with the pupil will be made aware of the pupil's needs, the outcomes sought, the support provided and any teaching strategies or approaches that are needed. This information will be recorded on our management information system, [name of MIS], and will be made accessible to staff in a [pupil passport / individual education plan / school-based support plan].
- (iii) Parents will be fully aware of the planned support and interventions, and may be asked to reinforce or contribute to progress at home.

(c) Do

- (i) The pupil's class or subject teacher retains overall responsibility for their progress.
- (ii) Where the plan involves group or 1-to-1 teaching away from the main class or subject teacher, they still retain responsibility for the pupil. They will work closely with any teaching assistants or specialist staff involved, to plan and assess the impact of support and interventions and how they can be linked to classroom teaching.
- (iii) The SENCO will support the teacher in further assessing the pupil's particular strengths and weaknesses, in problem solving and advising on how to implement support effectively.

(d) Review

- (i) The effectiveness of the support and interventions and their impact on the pupil's progress will be reviewed in line with the agreed date.
- (ii) We will evaluate the impact and quality of the support and interventions. This evaluation will be based on:
 - (A) The views of the parents and pupils
 - (B) The level of progress the pupil has made towards their outcomes
 - (C) The views of teaching staff who work with the pupil

The teacher and the SENCO will revise the outcomes and support in light of the pupil's progress and development, and in consultation with the pupil and their parents.

8.4 Levels of support

(a) School-based SEN provision

- (i) Pupils receiving SEN provision will be placed on the school's SEND register. These pupils have needs that can be met by the school through the graduated approach. Where the pupil's needs cannot be adequately met with in-house expertise, staff will consider involving an external specialist as soon as possible.
- (ii) The provision for these pupils is funded through the school's notional SEND budget.
- (iii) On the census these pupils will be marked with the code K.

(b) Education, health and care (EHC) plan

- (i) Pupils who need more support than is available through the school's school-based SEN provision may be entitled to an EHC plan. The plan is a legal document that describes the needs of the pupil, the provision that will be put in place, and the outcomes sought.
- (ii) The provision for these pupils will be funded from the school's notional SEND budget, and potentially from the LA (from the high-level needs funding block of the dedicated schools grant).
- (iii) On the census these pupils will be marked with the code E.

8.5 Evaluating the effectiveness of SEN provision

- (a) We evaluate the effectiveness of provision for pupils with SEN by:
 - (i) Tracking pupils' progress, including by using provision maps
 - (ii) Carrying out the review stage of the graduated approach in every cycle of SEN support
 - (iii) Using pupil questionnaires
 - (iv) Monitoring by the SENCO
 - (v) Holding annual reviews for pupils with EHC plans
 - (vi) Getting feedback from the pupil and their parents

9. EXPERTISE AND TRAINING OF STAFF

- 9.1 Training will regularly be provided to teaching and support staff. The headteacher and the SENCO will continuously monitor to identify any staff who have specific training needs and will incorporate this into the school's plan for continuous professional development.

10. LINKS WITH EXTERNAL PROFESSIONAL AGENCIES

- 10.1 The school recognises that it won't be able to meet all the needs of every pupil. Whenever necessary the school will work with external support services such as:
 - (a) Speech and language therapists
 - (b) Specialist teachers or support services
 - (c) Educational psychologists
 - (d) Occupational therapists, speech and language therapists or physiotherapists
 - (e) General practitioners or paediatricians
 - (f) School nurses
 - (g) Child and adolescent mental health services (CAMHS)
 - (h) Education welfare officers
 - (i) Social services

11. ADMISSION AND ACCESSIBILITY ARRANGEMENTS

11.1 Admission arrangements

- (a) Children with SEND are prioritised for the offer of places to prospective applicants before any offers are made. We do this as soon as we know they need a place and we consider which class and teacher it is the best to place them with
- (b) Pre-admission visits are conducted by the SENCO to the child's previous setting. The child also comes in to see their new classroom before they start. Our oversubscription criteria prioritise children with SEND and who are CLA

11.2 Accessibility arrangements

- (a) The Schools ensure that children with SEND are prioritised to ensure that they can access the full curriculum offer including trips, and other activities such as enrichment workshops and wrap around care.
- (b) We have a function lift to allow children with SEND access the first floor classrooms.
- (c) The Schools' Accessibility plan outlines how we do the following :
 - (i) Increase the extent to which disabled pupils can participate in the curriculum
 - (ii) Improve the physical environment to enable disabled pupils to take better advantage of the education, benefits, facilities and services you provide
 - (iii) Improve the availability of accessible information to disabled pupils

12. COMPLAINTS ABOUT SEND PROVISION

- 12.1 Where parents have concerns about our school's SEND provision, they should first raise their concerns informally with the class teacher/SENCO. We will try to resolve the complaint informally in the first instance. If this does not resolve their concerns, parents are welcome to submit their complaint formally.
- 12.2 Formal complaints about SEND provision in our school should be made to the Head of School in the first instance. They will be handled in line with the school's complaints policy
- 12.3 If the parent or carer is not satisfied with the school's response, they can escalate the complaint. In some circumstances, this right also applies to the pupil themselves.
- 12.4 To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the [SEN Code of Practice](#).
- 12.5 To find out about disagreement resolution and mediation services in our local area - <https://www.kids.org.uk/sendias/services/croydon-sendias/>
- 12.6

13. MONITORING AND EVALUATION ARRANGEMENTS

13.1 Evaluating the effectiveness of the policy

We are constantly looking for ways to improve our SEND policy. We will do this by evaluating whether or not we are meeting our objectives set out in section 1.

- (a) We will evaluate how effective our SEND provision is with regards to:
- (b) All staff's awareness of pupils with SEND at the start of the autumn term
- (c) How early pupils are identified as having SEND
- (d) Pupils' progress and attainment once they have been identified as having SEND
- (e) Whether pupils with SEND feel safe, valued and included in the school community
- (f) Comments and feedback from pupils and their parents

13.2 Monitoring the policy

- (a) This policy will be reviewed by Laura Akhtar every year. It will also be updated when any new legislation, requirements or changes in procedure occur during the year.
- (b) It will be approved by the full governing board.
