Thursday 4th June 2026

Dear Parents and Carers,

We are holding an online meeting on Thursday 11th June 2026 between 3.30pm and 4.30pm to inform parents about the upcoming RSHE lessons for Year 5 and 6 children. Teaching RSHE is a statutory requirement of all primary schools in England.

We will be going through the material that we use to teach the children. In the past, parents have found it useful and reassuring when they have attended this meeting.

The meeting should take no more than 1 hour and will take place over Microsoft Teams. Click on the link below:

However, if you are unable to join us for the meeting, we will email the slides out to all parents.

If you have any questions, please e-mail the school office at office@minsterschools.co.uk

Yours sincerely,

Mr Davies and Mrs Bhasin
